Enclosures:

No. Ref.No.3490/55.C2 Dated 14th April 1955.

Sir,

Sub: Forest Concessions - South Kanara Division - Working of in 1954-55 - Annual report - Continuance of the Concessions during 1955-56:

Ref: G.O.Ms.No.1535, Agriculture dated 7th May 1954:

-oOo-

In the Government Order cited, the Government accepted the recommendations of the Chief Conservator of Forests and allowed the continuance of the existing concessions in South Kanara division during 1954-55 with the exception of Kalanjimalai Reserved Forest (Puthur Range) where no concessions were allowed, and Pilarkhan Reserved Forest (Karkal Range) from which removal of dry leaves for manure was prohibited.

2. The concessions were allowed in all the Reserved Forests in South Kanara Division with the above exceptions. It is reported that there are no serious abuse of concessions during the year.

3. It has also been reported that the ~~instructions~~ restrictions imposed in Pilarkan Reserved Forest on the removal of dry leaves, has worked satisfactorily and that slight improvement in the matter of natural regeneration is now ~~perfectable~~ perceptible as a result of the cessation of this concession.

With regard to the Kalanjimala Reserved Forest, it is necessary to continue the ban in respect of the concessions as the Villagers still persist in indulging in their nefarious activities and there is large scale illicit fellings.

4. All the Reserved Forests in the division are open for the removal of green leaves manure of unclassified species and therefore the ryots were not keen on resorting to the fuel coupes ~~xxfx~~ kept open in advance of felling for removal of green leaf manure.

5. There were no cases of organised hunts to shoot wild animals inside the Reserved Forest during the year.

6. I therefore recommend that the existing concessions in South Kanara Division may be allowed to be continued during 1955-56 with the exception of Kalanjimale Reserved Forest in Patton Range, and of Pilarkan Rdserved Forest referred to in para 1 above.

For Chief Conservator of Forests.

Mks.26/4.
